

**Customer Name****Comment**

Ann Scarborough	I always recommend Besels to my friends & neighbors. Your workmen are so helpful, courteous & leave the place neat and clean
Myron Griswold	Both Rob Ryan and Dennis did a good through job installing my new furnace.
Myron Griswold	John did an excellent job on installing a new evaporator coil for my upstairs air condition unit. Dealt well with some unforeseen problems.
John Sarantakes	Installer was good and professional. I will use Besels again.
Stephanie Verhaeg	Explained everything very well - very pleased.
James Berry	The gentlemen were very polite and friendly. They did a great job.
Jim Coffman	HVAC person was very nice and told us everything about the furnace.
William Sell	They both were very knowledgeable and did excellent work.
Frank Villanueva	You achieved the goal that Home Depot could not.
Hanna Hickman	We were very thankful of your concern for your understanding of our medical emergency, by promptly installing air conditioner.
Randy Ponder	The gentlemen who did the work were very professional & courteous. They took the time making sure the system was installed properly & working properly. Also explained the system.
